(revised 28 March 2022)

History

Zines are homemade, limited run publications with topics such as music, art, politics, poetry, comics, personal thoughts, reviews, etc. The titles in this collection all originate from New Jersey or have New Jersey as the main topic. Most of the older zines [acc. #2017.27] were collected for a Zine Show curated by *Laugh Clown Laugh* and held in Red Bank, N.J., June 8-15, 1996 [the program is filed in the *Laugh Clown Laugh* folder]. Many of the non-Jersey zines from this show are located in the circulating zines collection at the Library, along with newer zines currently being collected.
